A

Abdominal aneurysm, ruptured, treatment of, after controlled hypotension, 780
Abdominal pain, acute, emergency intravenous cholangiography in, 46
Abdominal surgery, elevated serum amylase levels and pancreatitis after, 535
Abdominal trauma
  blunt, occult injuries of liver, bile duct, and pancreas after, 661
    peritoneal lavage in, 64
  major, in Connecticut, 413
Abdominal wall, clostridial myonecrosis of, 367
Abscess
  intra-abdominal, 70
  intrahepatic, amebic and pyogenic, 570
  subphrenic, 718
Acetic acid and antral phase of gastric secretion, 676
Acid secretion, gastric, vagal stimulation of, gastrin release in, 39
Acupuncture, electric phenomenon of skin, and postvagotomy gastrointestinal atony, 176
Adenoma, argentaffin, of trachea, 336
Adhesions, postoperative, serosal hypofibrinolysis as cause of, 80
Adrenalectomy, hemorrhagic shock after, insulin response to, 501
Adynamic ileus and perforation of colon, 601
Air bypass voice prosthesis for vocal rehabilitation of laryngectomees, 748
Airflow patterns in operating rooms, 592
Alcohol in duodenal-pancreatic reflux, 22
Alcoholic pancreatitis, chronic, ductal obstruction in treatment of, 538
Alimentary Tract
  papers of the Society for Surgery of, 1–264
  presidential address, 3
Allograft
  hepatic, in pigs, 300
  renal, pyelocystostomy in, 633
Amebic abscesses, 570
Amino acid solutions, isotonic, for peripheral intravenous feeding, 447
Amylase, serum, elevated levels of, and pancreatitis after upper abdominal surgery, 535
Anastomosis, intestinal
  high risk, 312
  omental protection of, 134
Anatomic correction of chronic intermittent gastric volvulus, 360
Anesthesia, methoxyflurane, and nephrotoxicity, 791
Aneurysm
  axillary artery, secondary to crutch trauma, 515
  ruptured abdominal, treatment of, after controlled hypotension, 780
Angiography in bleeding stress ulcers and gastritis, 468
Anorectal anomaly, congenital familial, 639
Anorectal suppurative disease, 189
Antral phase of gastric secretion, effect of topical prednisolone and acetic acid on, 676
Anus, imperforate, 639
Aortocoronary bypass grafts, blood flow in, direct measurement of, 331
Argentaffin adenoma of trachea, 336
Arterial catheterization in infants, 374
Arterial complications, peripheral, of cardiac catheterizations, 521
Arterial reconstructive surgery, selection of stroke patients for (E), 527
Arteries
  axillary, aneurysms of, secondary to crutch trauma, 515
  bilateral double renal, donors with, kidney transplantation from, 554
Arteriomesenteric duodenal compression syndrome, 681
Ascending colon
  injuries of, among Vietnam casualties in Japan, 607
  volvulus of, 672
Auto-suture instrument, 382
Autotransfused blood, pulmonary effects of, 696
Autotransfusion, effects of, on blood elements, 273
Avitene hemostat in experimental wounds, 284
Axillary artery aneurysms secondary to crutch trauma, 515

B

Bacteremia, persistent gram-negative, 705
Bacterial shedding, operating room gown as barrier to, 589
Balloon-tipped catheter, damage to intrahepatic biliary system by, 343
Barium peritonitis, 350

Bile
conjugation patterns and suspension stability of, effects of taurocholic acid and BSP on, 204
reflux of, causing gastritis, 408
Bile duct
extrahepatic, obstruction of, and cancer of liver, 782
primary carcinoma of, 723
injury to, changeable stent in repair of, 253
occult, after blunt abdominal trauma, 661
Biliary system, intrahepatic, damage to, by balloon-tipped catheter, 343
Bleeding
localizing site of, in massive diverticular hemorrhage, 651
massive rectal, diverticular disease of colon causing, 419
massive upper gastrointestinal, effectiveness of controlled pH in, 474
Bleeding stress ulcers and gastritis, angiography in, 468
Blood
autotransfused, pulmonary effects of, 696
elements of, effects of autotransfusion on, 273
flow of, direct measurement of, in aortocoronary bypass grafts, 331
in myocardium, new device for recording of, 496
Books received for review, 796
Bowel
inflammatory disease of, hyperalimentation as primary therapy for, 165
small, fistula of, due to tantalum mesh, 649
volvulus of, and multiple jejunal diverticulosis, 356
Branchial cyst and midline cervical cleft of neck, 376
Breast cancer, 734
and primary neoplasms of stomach, 738
in males, 628
Burned feet in children, acute and reconstructive care of, 575
Bypass grafts, aortocoronary, blood flow in, direct measurement of, 331

C

Cancer (see also *Carcinoma*)
of breast, 734
and primary neoplasms of stomach, 738
of colon in geriatric patients, 181
of liver, and obstruction of extrahepatic bile duct, 782
Capillary sampling and Silastic tube in tissue PO_2 and PCO_2 measurement, 623
Carbodissection gas endarterectomy for segmental popliteal occlusive disease, 703
Carcinoma (see also *Cancer*)
of colon and rectum at Lahey Clinic, 424
early diagnosis in, 304
of extrahepatic bile ducts, 723
of gallbladder, 726
of gastric stump, 29
of head of pancreas, 546
of male breast, 628
papillary, in solitary thyroid nodule, 477
Carcinomatosis, peritoneal, small intestinal obstruction from, 316
Cardiac catheterization, peripheral arterial complications of, 521
Catheter
balloon-tipped, damage to intrahepatic biliary system by, 343
placement of, central venous, using common facial vein, 654
T tube, drainage of duodenal stump with, 364
Catheterization
arterial, in infants, 374
cardiac, peripheral arterial complications of, 521
Cecum
injuries to, among Vietnam casualties in Japan, 607
volvulus of, 672
Cervical cleft, midline, of neck and branchial cyst, 376
Cervical portion of vagus nerve, neurilemmoma of, 744
Children
burned feet in, acute and reconstructive care of, 57
gram-positive peritonitis in, 769
renal transplantation in, 559
rhabdomyosarcoma in, 482
Cholangiography
emergency intravenous, in acute abdominal pain, 46
operative, failure of, to prevent retained common duct stones, 51
peroral retrograde, and pancreatography, 432
Cholecystectomy, timing of, in acute cholecystitis, 730
Cholecystitis, acute, cholecystectomy in, timing of, 730
Chondrosarcoma of hand, 775
Circulation, renal, during hypotension, 280
Cleft, midline cervical, of neck and branchial cyst, 376
Clostridial myonecrosis of abdominal wall, resection and prosthetic replacement in, 367
Colitis, ulcerative
and granulomatous, rectum-retaining operations for, 159
hyperalimentation as supportive therapy in, 165
Colon
ascending, volvulus of, 672
carcinoma of, in geriatric patients, 181
at Lahey Clinic, 424
early diagnosis in, 304
diverticular disease of, causing massive rectal bleeding, 419
in young patients, 308
perforation of, and adynamic ileus, 601
Colonic anastomoses, indwelling rectal tube in, 789
Colonoscopy, fiberoptic, 429
Colorectal carcinoma
at Lahey Clinic, 424
in geriatric patients, 181
Common duct
gallstones in, retrieval of, 257
retained stones in, failure of operative cholangiography to prevent, 51
Compression, arteriomesenteric duodenal, 681
Congenital familial anorectal anomaly, 639

Contaminated wounds, management of, 585
Contraceptives, oral, mesenteric venous thrombosis and, 641
Coronary artery bypass, double, 331
Crutch trauma, axillary artery aneurysms secondary to, 515
Cyst, branchial, and midline cervical cleft of neck, 376

D

Decompression, portal, by splenic vein implantation into liver or kidney, 200
Diagnosis of insulinoma, 231
Diet, elemental, in complicated pancreatitis, 223
Diverticular disease of colon
  causing massive rectal bleeding, 419
  natural history of, in young patients, 308
Diverticular hemorrhage, massive, localizing bleeding site in, 651
Diverticulosis, multiple jejunal, and small bowel volvulus, 356
Ductal obstruction in treatment of chronic alcoholic pancreatitis, 538
Dumping syndrome, severe, jejunal interposition in, 318
Duodenal compression syndrome, arteriomesenteric, 681
Duodenal-pancreatic reflux, effect of alcohol on, 22
Duodenal stump, T tube catheter drainage of, 364
Duodenal ulcer, operations for, 3
Duodenum
  and pancreas, trauma to, 530
  pancreatic transplantation without, in dogs, 240

Hypotension
controlled, treatment of ruptured abdominal aneurysm after, 780
renal circulation during, 280

I

Ileal pouch with ileostomy versus ileostomy alone, 154
Ileostomy and ileal pouch, 154
Ileus, adynamic, and perforation of colon, 601
Imperforate anus, 639
Implantation of ureter, 791
Infants, arterial catheterization in, 374
Inflammation, intraperitoneal, test for, 721
Inflammatory bowel disease, hyperalimentation as primary therapy for, 165
Injuries
cecal and ascending colon, among Vietnam casualties in Japan, 607
occult, of liver, bile duct, and pancreas after blunt abdominal trauma, 661
thermal, hypertonic lactate saline in, resuscitation with, 580
to bile duct, changeable stent in repair of, 253
vascular, of extremities, 690
Insufficiency, pulmonary, discontinuance of respiratory assistance after, 645
Insulin response to hemorrhagic shock in intact and adrenalectomized primate, 501
Insulinoma, diagnosis and management of, 231
Internship, rotating, extinction of (E), 659
Interposition, jejunal, in severe dumping syndrome, 318
Intestinal anastomoses
high-risk, 312
omental protection of, 134
Intestinal motility, surgical alteration of, 122
Intestine, small, obstruction of, from peritoneal carcinomatosis, 316
Intra-abdominal abscesses, 70
Intrahepatic abscesses: amebic and pyogenic, 570
Intrahepatic biliary system, damage to, by balloon-tipped catheter, 343
Intraperitoneal inflammation, test for, 721
Intravenous cholangiography, emergency in acute abdominal pain, 46
Intravenous feeding, peripheral, with isotonic amino acid solutions, 447
Isotonic amino acid solutions for peripheral intravenous feeding, 447

J

Japan
cecal and ascending colon injuries among Vietnam casualties in, 607
gallstone disease in, versus Sweden, 267
Jejunal diverticulosis, multiple, and small bowel volvulus, 356
Jejunal interposition in severe dumping syndrome, 318
Jejunoileostomy in severe and massive obesity, 437

K

Kidney, splenic vein implantation into, for portal decompression, 200
Kidney transplantation
for nail patella syndrome, 777
from living related donors with multiple vessels, 554
in inbred rats, 551
in young children, 559

L

Lahey Clinic, colorectal carcinoma at, 424
Laparotomy, exploratory, and splenectomy in Hodgkin's disease, 399

Laryngectomees, vocal rehabilitation of, air bypass voice prosthesis for, 748
Lavage, peritoneal, in blunt abdominal trauma, 64
Lipomatosis, pelvic, 347
Liver
  allografts, orthotopic, in pigs, 300
  cancer of, and obstruction of extrahepatic bile duct, 782
  occult injuries of, after blunt abdominal trauma, 661
  splenic vein implantation into, for portal decompression, 200

M

Manometry, preoperative, and gastroesophageal refux, 99
Melioidosis, extrapulmonary, 324
Mesenteric venous thrombosis in women taking oral contraceptives, 641
Mesh, tantalum, small bowel fistula due to, 649
Methoxyflurane anesthesia and nephrotoxicity, 786
Microcrystalline collagen hemostat in experimental wounds, 284
Microscopy, scanning electron, of small bowel strangulation obstruction, 129
Monitoring, venous pressure, catheter placement for, via common facial vein, 654
Motility, intestinal, surgical alteration of, 122
Mucosa, heterotopic gastric, of gallbladder, 345
Myelopathy, spondylotic, 328
Myocardium, blood flow in, new device for recording of, 496
Myonecrosis, clostridial, of abdominal wall, 367

N

Neck, midline cervical cleft of, and branchial cyst, 376
Neonatal gastrointestinal tract, Gastrografin in producing hyperosmolar state in, 185
Nephrotoxicity and methoxyflurane anesthesia, 786
Nerve, vagus, cervical portion of, neurilemmoma of, 744
Neurilemmoma of cervical portion of vagus nerve, 744
New England Surgical Society, papers of, 385–526
  presidential address, 385

O

Obesity, massive and severe, surgical palliation of, 437
Obliterated umbilical vein, clinical anatomy of, 195
Obstruction
  ductal, in treatment of chronic alcoholic pancreatitis, 538
  of extrahepatic bile duct and cancer of liver, 782
  small intestinal, from peritoneal carcinomatosis, 316
  strangulation, of small bowel, scanning electron microscopy of, 129
Occlusion, segmental popliteal, carbodissection gas endarterectomy for, 703
Omental protection of intestinal anastomoses, 134
Operating room gown as barrier to bacterial shedding, 589
Operating room, open door in, 592
Oral contraceptives, mesenteric venous thrombosis and, 641
Orthotopic liver allografts in pigs, 300

P

Pancreas
  and duodenum, trauma to, 530
  cancer of, 143
  head of, carcinoma of, 546
  occult injuries of, after blunt abdominal trauma, 661
Pancreatic disease, surgical treatment of, 143
Pancreatic duct to ureter, anastomosis of, for exocrine drainage in pancreatic transplantation, 245
Pancreatic head, carcinoma of, 546
Pancreatic pseudocysts, large, 542
Pancreatic transplantation
  exocrine drainage in, pancreatic duct to ureter anastomosis for, 245
  without duodenum in dogs, 240
Pancreaticoduodenal trauma, combined, 530
Pancreatitis, 143
  and elevated serum amylase levels after upper abdominal surgery, 535
  chronic alcoholic, ductal obstruction in treatment of, 538
  chronic recurrent, 390
  complicated, elemental diet in, 223
  experimental acute, treated with 5-fluorouracil, 211
Pancreatography, peroral retrograde, and cholangiography, surgical uses of, 432
Papillary carcinoma in solitary thyroid nodule, 477
Parachute cuff, self-inflating, 657
Parathyroidectomy, subtotal, for tertiary hyperparathyroidism after renal transplantation, 636
pCO_2 recording, new device for, in myocardium, 496
Pelvic lipomatosis, 347
Penthrane anesthesia and nephrotoxicity, 791
Peptic ulcer and arteriomesenteric duodenal compression syndrome, 681
Perforation of colon and adynamic ileus, 601
Pericardioesophagoplasty for partial esophageal replacement, 294
Peripheral vascular surgery, who should perform (E), 265
Peritoneal carcinomatosis, small intestinal obstruction from, 316
Peritoneal lavage in blunt abdominal trauma, 64
Peritonitis
  barium, 350
  gram-positive, in children, 769
  granulomatous, caused by glove starch, 455
Pneumatosis intestinalis, 667
Popliteal occlusive disease, segmental, carbodissection gas endarterectomy for, 703
Portal decompression by splenic vein implantation into liver or kidney, 200
Portasystemic shunts after subcutaneous transposition of spleen, 757
pO_2 recording, new device for, in myocardium, 496
Prednisolone, topical, and antral phase of gastric secretion, 676

Primate animals, nonhuman, for research in gastrointestinal problems, 89
Prosthesis
  air bypass voice, for vocal rehabilitation of laryngectomees, 748
  Dacron bifurcation, in vascular grafts, 288
Prosthetic replacement after resection of abdominal wall for clostridial myonecrosis, 367
Pseudocysts, large pancreatic, 542
Pulmonary effects of autotransfused blood, 696
Pulmonary embolism, massive, 611
Pulmonary insufficiency, discontinuance of respiratory assistance after, 645
Pyelocystostomy in renal allograft, 633
Pyogenic abscesses, 570

R

Reconstructive care of burned feet in children, 575
Reconstructive surgery, arterial, selection of stroke patients for (E), 527
Rectal bleeding, massive, diverticular disease of colon causing, 419
Rectal tube, indwelling, in colonic anastomoses, 789
Rectum
  carcinoma of, at Lahey Clinic, 424
    early diagnosis in, 304
    in geriatric patients, 181
  retention of, in operations for ulcerative and granulomatous colitis, 159
Reflux bile gastritis, 408
Reflux
  duodenal-pancreatic, effect of alcohol on, 228
  gastroesophageal, and preoperative manometry, 99
Regional enteritis, 596
Renal allograft, pyelocystostomy in, 633
Renal circulation during hypotension, 280
Renal function assessment by urine osmolality concentration tests, 508
Renal transplantation
  for nail patella syndrome, 777
  from living related donors with multiple vessels, 554
  in inbred rats, 551
  in young children, 559
  tertiary hyperparathyroidism after, subtotal parathyroidectomy for, 636
Respiratory assistance, discontinued, after pulmonary insufficiency, 645
Resuscitation with hypertonic lactate saline in thermal injury, 580
Retention button, surgical floatation, 794
Rhabdomyosarcoma in children, 482
Ruptured abdominal aneurysm, treatment of, after controlled hypotension, 780

S

Sarcoma, elastofibroma dorsi simulating, 773
Scanning electron microscopy of small bowel strangulation obstruction, 129
Scar tissue, huge midline hernias in, repair of, 767
Senn retractors in tracheostomy in adults, 372
Serosal hypofibrinolysis as cause of postoperative adhesions, 80
Serosal onlay patch graft for gastrojejunocutaneous fistula, 403
Serum amylase levels, elevated, and pancreatitis after upper abdominal surgery, 535
Shock, hemorrhagic
  electrolyte solutions in, 488
  insulin response to, in intact and adrenalectomized primate, 501
Shotgun wounds, close-range, split thickness porcine graft in, 690
Shunts, portasystemic, after subcutaneous transposition of spleen, 757
Silastic tube and capillary sampling technic in measurement of tissue PO_2 and PCO_2, 623
Small bowel
  fistula due to tantalum mesh, 649
  strangulation obstruction of, scanning electron microscopy of, 129
  volvulus and multiple jejunal diverticulosis, 356
Small intestinal obstruction from peritoneal carcinomatosis, 316
Society for Surgery of the Alimentary Tract, papers of, 1–264
Southeast Asia, melioidosis in, 324
Spleen, subcutaneous transposition of, portasystemic shunts after, 757
Splenectomy in Hodgkin's disease, 399
Splenic vein, implantation of, into liver or kidney for portal decompression, 200
Spondylotic myelopathy, 328
Stenosis, anal, 639
Stomach, neoplasms of, and breast cancer, 738
Stones, dissolution of, increased taurocholate excretion in bile in, 204
Strangulation obstruction of small bowel, scanning electron microscopy of, 129
Stress ulcers
  bleeding, and gastritis, angiography in, 468
  definition, discussion, and experimental model of, 461
  surgical treatment of, 464
  symposium on, 461–476
Stroke patients, selection of, for arterial reconstructive surgery (E), 527
Subphrenic abscess, current patterns of, 718
Surgery, remedial gastric, failure of, 108
Sweden, gallstone disease in, versus Japan, 267
Symposium on current status of treatment of stress ulcers, 461–476
Syndrome (see under specific name)

T

T tube catheter drainage of duodenal stump, 364
Tantalum mesh, small bowel fistula due to, 649

Taurocholic acid, effects of, on conjugation patterns and suspension stability of bile, 204
Thermal injury, hypertonic lactate saline in, resuscitation with, 580
Thrombosis, mesenteric venous, in women taking oral contraceptives, 641
Thyroid nodule, solitary, 477
Tissue PO_2 and PCO_2 measurement, Silastic tube and capillary sampling technic in, 623
Tissue, scar, huge midline hernias in, repair of, 767
Trachea, argentaffin adenoma of, 336
Tracheostomy cuff, new, 657
Tracheostomy in adults, 372
Transplantation
  pancreatic
    exocrine drainage in, pancreatic duct to ureter anastomosis for, 245
    without duodenum in dogs, 240
  renal
    for nail patella syndrome, 777
    from living related donors with multiple vessels, 554
    in inbred rats, 551
    in young children, 559
    tertiary hyperparathyroidism after, subtotal parathyroidectomy for, 636
Transposition, subcutaneous, of spleen, portasystemic shunts after, 757
Trauma
  blunt abdominal, occult injuries of liver, bile duct, and pancreas after, 661
    peritoneal lavage in, 64
  combined pancreaticoduodenal, 530
  from crutches, axillary artery aneurysms secondary to, 515
  major abdominal, in Connecticut, 413
Tube, indwelling rectal, in colonic anastomoses, 789

U

Ulcer
  duodenal, operations for, 3
  peptic, and arteriomesenteric duodenal compression syndrome, 681
  stress, definition, discussion, and experimental model of, 461
Ulceration, acute gastroduodenal, injury and repair in, 13
Ulcerative colitis
  hyperalimentation as supportive therapy in, 165
  rectum-retaining operations for, 159
Ulcerogenic syndrome, calcium-mediated gastrin levels in, 116
Ulcers
  benign gastric, operative treatment of, 19
  bleeding stress, and gastritis, angiography in, 468
  stress, surgical treatment of, 464
    symposium on, 461–476
Umbilical vein, obliterated, clinical anatomy of, 195
Ureter
  and pancreatic duct, anastomosis between, for exocrine drainage in pancreatic transplantation, 245
  reimplantation of, 791
Ureterocolic fistula, 338
Urinary tract, re-establishing continuity of, in patient with renal allograft, 633
Urine osmolality concentration tests for assessing renal function, 508

V

Vagotomy, gastrointestinal atony after, and acupuncture and electric phenomenon of skin, 176
Vagus nerve, cervical portion of, neurilemmoma of, 744
Vascular grafts, fabric, 288
Vascular injury of extremities, 690
Vascular lesions, identification of, in gastrointestinal tract, 353
Vein
  common facial, central venous catheter placement using, 654
  obliterated umbilical, clinical anatomy of, 195
  splenic, implantation of, into liver or kidney for portal decompression, 200
Venous pressure monitoring, catheter placement for, via common facial vein, 654
Venous thrombosis, mesenteric, in women taking oral contraceptives, 641
Vesicovaginal fistulas, 763
Vietnam casualties, cecal and ascending colon injuries among, in Japan, 607
Vocal rehabilitation, air bypass voice prosthesis for, in laryngectomees, 748
Voice prosthesis, air bypass, for vocal rehabilitation of laryngectomees, 748
Volvulus
  chronic intermittent gastric, anatomic correction of, 360
  of cecum and ascending colon, 672
  small bowel, and multiple jejunal diverticulosis, 356

W

Wounds
  contaminated, 585
  experimental, microcrystalline collagen hemostat in, 284
  shotgun, split thickness porcine graft in, 690
